Slide #:

| What is the purpose of this slide? (Why do I need it?) | What critical content needs to be included in this slide? (What needs to be in it?) | What visual is appropriate? (What does it look like?) | What interaction makes sense for this information (How will I execute it?) | What is the audio or narration? (What does it sound like?) |
|---|---|---|---|---|
| *Decide why you are including this slide. What is its purpose? Why do you need it? What role does it play? Is it essential to setting up the course? What does it add? If I eliminated it would anything be lost?* | *Identify the content you need to include in this slide. Here are some samples of different content you might want to include :*<br><br>• *Procedure: A set of steps an individual performs to complete a single task*<br><br>• *Process: A series of events, stages or phases that occurs over time and has a specific outcome*<br><br>• *Principle: A statement designed to dictate, guide or require behavior*<br><br>• *Concept: A class or group of things that share a critical set of attributes*<br><br>• *Structure: A description or depiction of anything that has parts or boundaries*<br><br>• *Fact: A statement that is assumed to be true*<br><br>• *Map: A visual representation of location or proximity* | *Decide the best way to visually communicate or explain this content:*<br><br>• *List?*<br>• *Statement?*<br>• *Icons?*<br>• *Single visual?*<br>• *Infographic?*<br>• *Process flow?*<br>• *Step-by-step ?*<br>• *Table?*<br>• *Video?*<br>• *Is there anyway to include a cat or dog as a visual? (Just kidding.)* | *Identify how to best use the Storyline tools to execute your content:*<br><br>• *Check boxes?*<br>• *Sliders or dials?*<br>• *Text Input?*<br>• *Layers?*<br>• *State changes?*<br>• *What type of animation would be appropriate, if any?* | *Determine if audio reinforcement is necessary to support your concept and communication:*<br><br>• *Do I need narration, a transcript or notes?*<br>• *What audio reinforces the concept?*<br>• *Voice? Music?*<br>• *Clicks?* |
